Leaving Four Marks at 0900, and Alton opp Sainsburys at 0915, we head to London for our visit.

We have free time in the morning to have coffee, lunch, visit the south Bank, whatever you will. Then our group will be divided into two groups, one tour at 1315, the second at 1400. The tour around the Speakers House will last approximately 1 ¼ hours, so you will need to be reasonably mobile and able to stand for that length of time. We will see the Grand staircase, crimson drawing room and other state rooms along with portraits of the speakers through the years, all of it in the wonderful Palace of Westminster.

After an opportunity for a well-earned cuppa, we will leave London at 1630.
